Welcome to Euro-Lingua language school

The Spanish language is one of the largest in the world. The growing importance of the Spanish commercial and cultural level and speaking Spanish is an advantage that you can exploit.

At our academy you will learn to speak Spanish from the first day of class. Our method is focused so you can converse in Spanish in everyday life. If you can manage to speak in Spanish, Your life in Spain will be much easier and enjoyable.

We are a small school and this helps us to have personal contact with our students, reasuring all your doubts and questions immediately.

We are located in the center of Los Boliches, where you can find all necessary services: trains, buses, shops, banks, cafes ... while enjoying the charm of the neighborhood. Our school is 2 minutes walk from the beach and 15 minutes away from the center of Fuengirola, Spain.

We give priority to oral communication, so we have a lot in our conversation classes for students to put into practice the grammar and vocabulary studied in the exercises.

We create a cordial and friendly atmosphere for students to speak naturally. Correct their mistakes without pressure.

In addition to transmitting the language, we attach great importance to the Spanish culture and provide our students with the history, traditions, festivals and local events.

Spanish is spoken in our school. Outside of class students can read in Spanish, watch TV in Spanish, listen to music in Spanish ... but in class we want students to speak Spanish fluently when it comes to communicating in Spanish.

Can anyone learn Spanish?

Yeeeee, of course!

Some people think they can not learn Spanish. We have students who have tried to learn Spanish themselves or in other schools and they have not succeeded, but was surprised when after a few classes at Euro-Lingua they could speak Spanish!

The school

Euro-Lingua founded in 1999 and since then we have been offering quality courses. Throughout the years we have adapted to the needs and demands of students, to achieve our goal that is that: the student feels good after each class.

[About the academy...](#)

The courses

Our group courses are extensive as they are 2, 3 or 4 days a week and classes are 1 hour and a half, but each class is intensive as the student takes full advantage. These types of courses the student is not tired and can fully assimilate the knowledge.

We also have classes that we give priority to oral communication, as a friendly atmosphere and nice addition to the language we convey also great importance to the Spanish culture.

The teachers

Euro-Lingua believe that teachers are critical in language classes.

Some students learn Spanish more quickly than others and we respect that in our classes and repeat go as often as necessary, depending on each group and each person.

After many years teaching Spanish, we can confirm that all people can attain a sufficient level of Spanish to communicate in everyday situations.

It is just as easy to learn Spanish at 65 years of age as it is at 20 and the older person often get better results.

Yes! you can also speak Spanish! Come by Euro-Lingua and check it out.

10 Tips to learn Spanish

1. **Attend classes in Spanish Euro-Lingua** here we will correct your mistakes and help you with your needs. You speak Spanish and learn grammar and vocabulary.
2. **Visit places where only Spanish is spoken, restaurants, cafes, shops** In Fuengirola there are areas that are predominantly Spanish, and the Spaniards like to talk a lot...
3. **Try to socialize with Spaniards:** join associations, a sport practiced in groups, attend courses in crafts, dance, participate in field trips It will not be easy at first but after some time you will know and socialize with Spaniards.
4. **Take advantage of the opportunities you have for talks in Spanish,** for example, invite your neighbors or acquaintances, Spaniards eat something typical from your country of origin ... Show that you know that speak Spanish and are interested in topics related to Spain.
5. **Read Spanish magazines, newspapers, novels, comics, reading...** any you like. No matter if you do not understand everything, little by little the structure of sentences in Spanish will be assimilated by your brain.
6. **Watch TV and listen to the radio in Spanish,** also the ads. A little each day is sufficient and do not worry if you do not understand anything. Learn the Spanish pronunciation and intonation, and after a time you will begin to understand.
7. **Listen to songs in Spanish** and translate them with help from the letter written to listen to repeatedly learn phrases memory to help you when speaking Spanish.
8. **Read the street signs in Spanish,** write down unfamiliar words and look in the dictionary. If you read the posters often you will learn them off by heart.
